-

Judging Parameters:

1. **Choreography & Creativity**

- Creativity, use of space, and original dance moves.

2. **Synchronization :**

- Coordination and timing within the team.
- 3. Stage Presence & Energy:**
 - Confidence, expression, and engagement with the audience.
- 4. Technique :**
 - Skill level, smooth execution, and complexity of moves.
- 5. Costume & Presentation :**
 - Effort in costume and overall visual impact.

Scoring:

Each judge will rate teams, and scores will be averaged for a final score.

Prize Pool : 23K

AN IMPORTANT NOTE:

- A robot winning in a round against its opponent doesn't guarantee its entrance into the next round. If the judges found the winning robot incompetent to enter into the next round, it may get disqualified.
 - Judges can disqualify both the robots of a match from advancing to the next round. All the decisions taken by the judge will be final and binding to all. Any queries afterward will not be entertained.
 - These rules may change at any time, even without explicit notification to teams.
 - However, the document uploaded here is to be followed as the latest problem statement for all the rules and design specifications. The teams acknowledge that they have a responsibility to read, understand, and abide by the rules.
 - Prize pool is subjected to the number of participants and on the discretion of the organising committee.
 - **Cliffesto'25** reserves the right to prevent any team from competing at any time for any reason.
 - In case of any queries, participants are encouraged to contact **Cliffesto'25** Team.
 - **Cliffesto'25** has the rights over the guidelines and can alter them as per the requirements.
