TECH-HUNT

GUIDELINES:

Team Formation:

- Teams must consist of four members each.

- All team members should be present at the auditorium at the beginning of the event.

Event Structure:

- The event consists of four rounds, each with a unique riddle leading to a location.

- Teams will progress through the rounds sequentially.

Riddles and QR Codes:

- Each round involves solving a riddle that leads to a specific location.

- At the location, teams will find a password-protected QR code.

Passcode Integration:

- The passcode required to unlock the QR code is embedded within the riddle itself.

Time Limits:

- A time limit is set for each round. Teams must complete the round within the allocated time.

Starting Point:

- All teams will start the event at a designated starting point that is our auditorium.

Arena:

- Arena detailed map will be shared later on.

Level 4

Scoring:

- Points are awarded for successfully solving each riddle and unlocking QR codes.

- Team to successfully reach the specified endpoint wins the game.

- In case more than one team reaches the final destination at the same time then, team with the highest cumulative score at the end of the event wins.

TECH-HUNT

Fair Play:

- Teams must adhere to the rules and instructions provided by event coordinators.

- Any violation of fair play may result in point deductions or disqualification.

Event Coordinator Presence:

- An event coordinator will be present at each location to monitor and guide teams.

Enjoyment and Sportsmanship:

- The primary goal is to have fun and enjoy the challenge.

- Sportsmanship is essential, respect all the fellow participants and event coordinators.
