DESCRAP GUIDELINES

Event Name:

- SCRAPIFY

Event Details:

- **Date:** 2nd March, 2025
- **Venue:** NIT UTTARAKHAND
- **Timings:** 10:00 AM onwards

Description:

Scrapify is an innovative exhibition aimed at promoting creativity and sustainability. The competition challenges participants to create functional or artistic projects using at least 60% scrap materials, showcasing their design skills and environmental consciousness.

PRICE POOL:6K

PARTICIPATION GUIDELINES

Registration:

- Teams need to register themselves before the deadline mentioned on the official website or communication channels.
- Participants should provide the names, contact details, and roles of all team members during registration.

Eligibility:

- The competition is open to all college/university students.
- Each team must consist of a maximum of **4 members**.
- Participants must abide by all guidelines and safety regulations outlined below.

Guidelines:

Submission :

Time: 9:00 AM - 1:00 PM
Format: Team Name & Registration no.

Team Formation:

- Each team should have 2–4 members. Collaboration and teamwork will be key in building your project.

Materials:

- **Allowed**   **Materials:**
  Teams must use a minimum of 60% scrap materials in their project construction.
- **Prohibited**   **Materials:**
  Hazardous materials such as sharp objects, unshielded glass, and live electrical components without proper insulation are strictly prohibited to ensure safety.

Project Type:

- Teams may create any functional or artistic project that aligns with the competition's sustainability theme.
- Weight Limit: Projects must not exceed 5 kg in total weight.

Tool Usage:

- Teams may use any tools necessary for crafting their project. However, safety precautions must be followed at all times.

Project Creation:

- All construction must be completed at home or designated team spaces. Teams must document the process through photos and videos for transparency.
- Final projects must be presented at NIT Uttarakhand during the event.

JUDGING CRITERIA

Projects will be evaluated based on the following parameters:

1. **Functionality**

How well the project performs its intended function or purpose.

2. **Aesthetic Appeal**

   The creativity, design, and visual impact of the project.

3. **Innovative Use of Scrap Materials**

   The degree to which scrap materials are creatively utilized.

4. **Presentation**

   Clarity, communication, and explanation of the design process during the final presentation.

EVENT RULES

- All participants must abide by competition safety standards.
- Teams must ensure their project aligns with sustainability and avoids hazardous materials.
- Projects must be original and adhere to the required weight and material constraints.
- Teams must present photos/videos documenting the building process.
- Judges' decisions will be final and binding.

AN IMPORTANT NOTE:

- The organizers reserve the right to modify the rules or guidelines at any time. Any such changes will be communicated to the participants promptly.
- Decisions made by the judging panel will be final and binding on all teams. No appeals or queries regarding the judgment will be entertained.
- Prize pool is subjected to the number of participants and on the discretion of the organising committee.
- Teams are responsible for ensuring their submission complies with the guidelines.
- **Cliffesto'25** reserves the right to disqualify any team at any stage for non-compliance with the rules or misconduct.
- For any queries or clarifications, participants are encouraged to contact the **Cliffesto'25** organizing team.
